Program-Specific Articulation Agreement

Salt Lake Community College | *University of Utah*

The School of *Science, Math and Engineering*, *Mathematics* Division at Salt Lake Community College (SLCC) and the College of *Science*, Department of *Mathematics* at *University of Utah (UofU)* agree to the articulation of transfer credit as outlined in the attached program-specific articulation agreement.

Terms of the agreement are as follows:
- Prior to transfer, students must complete *a Mathematics* Associate of Science (AS)
- Students will be admitted into *Bachelor of Mathematics, Statistics Emphasis (BS)* at *the University of Utah* at junior standing
- Students must meet *the University of Utah's* program-specific admission and graduation criteria as outlined
- Students may seek advisement at both SLCC and *the UofU* to ensure proper sequencing of courses and efficient time to degree completion.
- This agreement will be reviewed annually. Renewal will be contingent on the outcome of these reviews.
- This agreement will remain in effect unless terminated in writing by either institution.
